Marvin,

That should be possible. I will try to check and make sure we have the site money for travel. You will need to charge the travel and your time to the site account.

Mark:

Please see the message below. Katrina is asking if I can attend a meeting in Bristow, Oklahoma

with her.

Katrina believes there will be questions raised about liability.

Please advise.

Please see the request from the Property owner. I am available on September 25 and plan to attend an afternoon meeting. This will be an open discussion related to the work at the site, the proposed cleanup of the source areas (one of which is on their property, and provide answers to any questions they have.

One point in particular is the topic of liability. Marvin, can you travel for the meeting? If not, perhaps I can set up a conference call for you and the property owners attorney to discuss these questions?

Please let me know if you plan to attend so that I can respond.

thanks

Katrina,

Thank you for your time yesterday on the phone. I really appreciate all that you and Todd shared with us at the Informational Meeting a few weeks ago. It was wonderful to have a large representation from our church present at the meeting to hear your timely update about our property and the rest of the Superfund site. The meeting helped us inform and communicate with our congregation about some of the EPA's future plans for the Wilcox/Lorraine site. We are thankful for all your hard work. We are praying for you as you lead and navigate our community through in this great endeavor.

We are also looking forward to the possibility of meeting with you and Todd Downham on Tuesday, September 25. Let me know if Tuesday works good for you. Pastor Mark Lehmann will be in Bristow with us September 25-27. He lands in OKC on Tuesday morning. I thought we could meet sometime Tuesday afternoon, at your convenience. Since our church is now part of Cornerstone Church (Bowie, Maryland), I wanted to make sure that Pastor Lehmann has the same opportunity to catch up on recent developments with our property. I thought it would be best for us to meet at DEQ headquarters in Oklahoma City, like we have in the past with Pastor Frank Cargill and Mike Blaschke. Pastor Mark and myself will both need to re-sign our access agreement with the EPA, since our church is under the oversight of Cornerstone Bowie. Pastor Lehmann is allowing me to continue to be the liaison ("boots on the ground") for Bristow. Our church has also recently changed our insurance company and we are now covered under the same policy as Bowie. We just want to make sure that our insurance company is brought up to speed on recent developments as well and that we understand our church's liabilities moving forward. Any assistance that the EPA can provide in this area would be a tremendous help to us.

The following is a list of people who I would like to email regarding the invite to our meeting on Tuesday afternoon, September 25:

Mark Lehmann	pastormark@cag.org	(Cornerstone Bowie, Maryland)
Frank Cargill	frank.cargill@okag.org	(Oklahoma District Superintendent)
Mark S. Evans	mark@cag.church	(Cornerstone Bristow, Oklahoma)
Mike Blaschke	mblaschke@thelawgroupokc.com	(Cornerstone Church Attorney)
Lori VanWinkle	lvnwinkle@thelawgroupokc.com	(Paralegal for Mike Blaschke)

Thank you so much for your time and for making this meeting possible. We are looking forward to visiting with you again.

Have a wonderful week.

Mark Evans
